### **The Opportunity to Be Informed, Be Involved and Be Heard!**

Summer is coming to an end, that means NHUAC is back! Our meetings are held on the first Thursday of the month in the meeting room of White Center's fire station at 1243 SW 112<sup>th</sup> Street.

September's meeting will offer an opportunity to learn and share information about changes affecting our community. The last election brought us a new sheriff. Hope you can join us as we welcome Sheriff Mitzi Johanknecht on her first visit to NHUAC since taking office in January. Sheriff Mitzi grew up in King County and has been with KCSO since 1985. Her history of success with KCSO includes being the first woman to command KCSO's SWAT team and serving as the Commander of Precinct 4. This will be a good opportunity to learn about our new sheriff, her plans, challenges and goals. Do you have questions and thoughts you'd like to share with Sheriff Johanknecht? This is your chance!

When last we met, Liz McDaniel of Mary's Place told us about changes that were in the works for Mary's Place. Now, it's time for an update.

Since leaving NHUAC's board, Dominic Barrera has been busy. This month, he'll be joining us in his new position as Executive Director of Plant Amnesty to tell us about an educational event that's coming soon to North Highline.

And last, but certainly not least, White Center Storefront Deputy Bill Kennamer will update us with news and statistics from KCSO.

**Then...**the floor will be yours!
