WCCDA COVID-19 Resources

We at the White Center Community Development Association will do our best to keep this up to date and comprehensive. Please forgive us if we've left out something/someone that seems like a big oversight! We are doing what we can to help more families access more resources. If you have suggestions for additions to the list, please email them to catherina@wccda.org or post them on our facebook page (<https://www.facebook.com/whitecentercda/>) and we will add them here. Feel free to share this document.

Environmental Considerations

- Incorporate natural barriers
- medicinal/ edible gardens
- Plant landscape
- No cattails in this area since early 70s
- **As much open green space between the parking lot and building as possible; lots of places to stop and hang out in green spaces**
